Preparation of Dossier for Duke-NUS Regular Rank Faculty Appointment / Promotion for Submission to Duke-NUS APT Committee (Wef 1 May 2013)

For a Duke-NUS regular rank faculty appointment / promotion, the candidate’s dossier for submission to the Duke-NUS Appointments, Promotion and Tenure (APT) Committee will need to include (in chronological order) the following:

1. **APT Cover Letter** (from SRP / ACP / AMEI Director) summarising SRP / ACP / AMEI Nomination and Appointment Committee’s (NAC’s) discussion and recommendations – including the vote cast by the Committee members - on the candidate’s appointment / promotion. APT Cover Letter is required for all regular rank appointments / promotions. Please refer to Template 1 – APT Cover Letter For Regular Rank Faculty Appointment / Promotion.

2. **Academic Council (AC) Cover Letter** (from AC Chair) summarising AC’s discussion and recommendations on candidate’s appointment / promotion. AC Cover Letter is required for Associate Professor and Full Professor level appointment / promotion in addition to APT Cover Letter, for (i) Clinician whose faculty appointment resides in ACP / AMEI or faculty appointment residing in SRP with SingHealth as primary employer, and (ii) PhD Investigator whose faculty appointment resides in ACP / AMEI.

   For candidates who are being put up to the APT Committee for Regular Rank faculty promotion or tenure review, the cover letter from the AC Chair and / or SRP / ACP / AMEI Director should clearly stipulate the following:
   (i) The current Duke-NUS faculty appointment academic rank that the candidate is holding and the date that he / she was appointed at or promoted to this current academic rank.
   (ii) New / additional / expanded / major contributions and achievements made by the candidate from his / her last appointment / promotion till to-date that will warrant the proposed promotion or award of tenure.

3. **Candidate’s CV**
   For new faculty appointments, use Template 2 – Duke-NUS / SingHealth CV for CV submission.

   For promotion and tenure review of existing faculty members, CVs submitted must be in the Faculty Profile System (FPS) generated CV format. The online FPS can be accessed through: [https://webapps.duke-nus.edu.sg/fps](https://webapps.duke-nus.edu.sg/fps)

   For (a) Associate Professor with Tenure, (b) Full Professor with Tenure, and (c) Full Professor with non-tenure appointments/ promotions, CVs of candidates should include the following publication information:
   (i) H-index
   (ii) Journal Impact Factor of every journal that the candidate had published in for the last 5 years (and further back if the candidate wishes)
   (iii) (optional) Number of citations for every publication that the candidate had published

3. **Candidate’s Intellectual Development Statement**
   Generally around 4 - 6 pages:
   (i) 1 – 2 pages of past research and / or academic accomplishments
   (ii) 2 pages on future research and / or academic plans
   (iii) 1 – 2 pages on academic experience and philosophy (e.g. teaching, training of graduate students and / or fellows, etc)
4. Reference Letters on Candidate

The number of reference letters on the candidate will depend on the proposed academic track and rank, as well as the tenure type to be surfaced to the APT Committee. Please refer to Table 1: Reference Letter Requirement Criteria for Regular Rank Duke-NUS Faculty Appointments found at the end of this document.

It is important to indicate in the request for reference letter the academic rank that the SRP / ACP / AMEI would like to appoint / promote the candidate to. If the appointment / promotion is one with tenure, it is necessary to indicate so in the request letter to the referees. Reference letters should be obtained from referees who are of the same academic rank or higher than that for which the candidate is being considered. Please refer to Template 3 – Letter to Referee Requesting For Reference Letter.

5. Letter of Support From AMEI Director

A letter of support from the AMEI Director is required only if the candidate’s proposed appointment / promotion is on Track IIB (Education) or Track IC, and resides in an ACP. The AMEI Director’s letter of support is not required if candidate’s appointment originate from a SRP.

6. SingHealth-Duke-NUS Faculty Appointment HOD Endorsement Form

Please refer to Template 4 – SingHealth-Duke NUS Faculty Appointment HOD Endorsement Form. The HOD Endorsement Form is required only if the candidate’s primary employer is SingHealth or a SingHealth-affiliated institution, such as SGH, NCCS, NHCS, etc. The form is not required if SingHealth or a SingHealth-affiliated institution is not the candidate’s primary employer.

(i) For Initial Appointment

If the candidate’s primary employer is SingHealth or a SingHealth-affiliated institution, the candidate will need to obtain his / her Head of Department’s (HOD’s) endorsement before his / her faculty appointment is surfaced to the Duke-NUS APT Committee. The candidate shall discuss with the SRP / ACP / AMEI Director on the percentage time effort to be committed to Duke-NUS and indicate this percentage effort in the form and submit to his / her HOD for endorsement. Upon completion of the form, the candidate is required to forward the duly signed form to the SRP / ACP / AMEI Director Office.

(ii) For Promotion

If the candidate’s primary employer is SingHealth or a SingHealth-affiliated institution and he / she is being put up for a promotion (e.g. from Assistant Professor to Associate Professor) at Duke-NUS, the re-submission of the HOD Endorsement Form to the SRP / ACP / AMEI Director Office will not be required, unless there is going to be a change in his / her current percentage FTE effort level in Duke-NUS after the promotion.

The candidate’s performance appraisal form should generally not be included in the APT dossier as how the candidate’s institution assesses him / her as well as the assessment criteria used by his / her institution are different between institutions and may be quite distinct from those used by the APT Committee to evaluate a candidate’s credentials.

(iii) For Conversion of Appointment

If the candidate’s primary employer is SingHealth or a SingHealth-affiliated institution and he / she is being put up for a conversion of appointment (e.g. from Adjunct to Regular Rank), the re-submission of the HOD Endorsement Form to the SRP / ACP /
AMEI Director Office will not be required, unless there is going to be a change in his / her current percentage FTE effort level in Duke-NUS after the appointment conversion.

7. **Other Important Points to Note on Regular Rank Faculty Appointments**

(i) Duke-NUS regular rank faculty appointments (i.e. Assistant Professor / Associate Professor / Professor) should reside in either a Programme (i.e. ACP / SRP), but not in a Centre.

(ii) For candidates who are already holding an Adjunct faculty appointment and are being put up to the Duke-NUS APT Committee for simultaneous (i) conversion to a Regular Rank faculty appointment **AND** (ii) promotion to a higher academic rank than that of his / her current Adjunct appointment, the conversion and promotion processes should be carried out sequentially, instead of concurrently. That is, the candidate should first convert his Adjunct appointment to a Regular Rank appointment at the same academic rank as that of his / her Adjunct appointment, before being put up for a Regular Rank promotion to a higher academic rank.
Table 1: Reference Letter Requirement Criteria for Duke-NUS Regular Rank Faculty Appointments

Note:
1. Reference letters (i.e. arm’s length / non-arm’s length) should be solicited from referees who are of the same academic (a) rank and (b) type (i.e. Regular Rank / Adjunct) or higher than that for which the candidate is being considered. Exceptions can be granted for the following instances:
   (i) For candidates who are being nominated for Regular Rank Track II Non-Tenure Track Instructor / Assistant Professor appointments, reference letters from referees who hold Adjunct faculty appointments but whose academic rank is higher than that for which the candidate is being proposed, can be counted toward the minimum number of letters required.
   (ii) Reference letters from referees without academic titles but who (a) hold key leadership positions in any reputable organisation or (b) are highly recognised within the field of their expertise and who are from renowned institutions / organisations, can be counted toward the minimum number of letters required.

2. Arm’s length referees are referees who:
   (i) have not collaborated scientifically with the candidate in the past 5 years;
   (ii) are not from the same institution as the candidate (Note: The different institutions within SingHealth are considered as 1 single institution as they are all under the same SingHealth cluster.);
   (iii) are not former or current supervisors of the candidate;
   (iv) have no personal connections with the candidate (i.e. they could be colleagues in a similar field but have no further substantive connections).

3. Collaborators are defined as individuals with whom the candidate has:
   (i) published in the past 5 years; or
   (ii) an on-going research collaboration.

4. For appointment / promotion at Associate Professor or Full Professor levels:
   (i) Process is through an ACP / SRP Appointments and Promotion Committee
   (ii) The candidate can recommend names of referees, but Committee makes decision on whom will be contacted. Candidate should not be aware of the names of the referees who provide letters.

5. Local referees are referees based in Singapore, while international referees are those based outside of Singapore.

Dear APT Committee <Choose Members/Chair>,

Re: Dr <Enter Candidate’s Name>

On behalf of <Enter Name of SRP/ACP/AMEI>, I hereby present to the Duke-NUS APT <Choose Committee Type> the recommendation for the <Choose Proposed Appointment> of Dr <Enter Candidate’s Name> as <Choose Proposed Academic Rank> <Choose Proposed Academic Track> at Duke-NUS <Choose Promotion Date (only applicable for promotion, delete accordingly)> <Enter year for promotion (only applicable for promotion, delete accordingly)>.

(This paragraph is only applicable to candidates being put up for promotion or tenure review.)

Dr <Enter Candidate’s Name> joined Duke-NUS as <Choose Current Academic Rank> <Choose Current Academic Track> on <Choose start date of current appointment>. <Please provide a short paragraph of write-up supporting the candidate’s promotion / tenure review. Please indicate a summary of new / additional / expanded / major contributions and achievements made by candidate from his / her last appointment / promotion till to-date.>

Please provide a 2 to 3-page write-up supporting the candidate’s appointment / promotion. The SRP’s / ACP’s / AMEI’s recommendation should include:

a) Candidate’s educational background, training and / or employment;

b) Candidate’s research achievements and accomplishments (including number of publications and significant grants), and his / her standing in the field if he / she is being put up for a tenured appointment;

c) Candidate’s participation in educational initiatives and academic service;

d) Candidate’s current engagements with Duke-NUS, if any.

e) Candidate’s proposed roles / responsibilities in Duke-NUS given the appointment / promotion.

f) Any other relevant information in support of candidate’s appointment / promotion;

g) Summary of the:
a. ACP / AMEI Nomination and Appointment Committee’s discussion and recommendation, including the vote cast by the Committee members, on the candidate’s faculty appointment / promotion (note: casted votes are only required to be recorded for Assoc Prof and full Prof level appointment / promotion); or

b. SRP Faculty’s discussion, including the vote of the SRP faculty members (who should be of the same academic rank and tenure track and type or above that for which the candidate is being considered) on the recommended appointment / promotion level.

h) For relevant candidates, please include the following statement: “The Academic Council has assessed <candidate’s name> credentials and found them to be appropriate for the proposed appointment.”

In view of the above, it is my great pleasure to recommend the <Choose Proposed Appointment> of Dr <Enter Candidate’s Name> as <Choose Proposed Academic Rank> <Choose Proposed Academic Track> at Duke-NUS.

Sincerely,

Dear Dr <Referee's Surname>:

Dr <Candidate’s Surname> is being considered for appointment at the rank of <proposed academic rank> <please indicate ‘with tenure’ if the appointment is with tenure> at the Duke-NUS Medical School (Duke-NUS). We would be most grateful if you could help us by evaluating Dr <Candidate’s Surname>’s research and scholarly achievements. We are providing <his / her> curriculum vitae and intellectual development statement for your consideration; reprints of papers can also be provided upon request.

Faculty of the Duke-NUS are expected to stand in competition with the top scholars of similar rank within their fields. In making your evaluation of <his / her> accomplishments, it would be helpful if you would - after defining your relationship to Dr <Candidate’s Surname> and the research area in which <he / she> works - evaluate and comment upon the following:

1. Dr <Candidate’s Surname>’s achievements and status compared to other scholars in <his / her> field who are at similar stages in their careers;
2. The strengths and weaknesses of <his / her> scholarship and the degree of recognition achieved within <his / her> discipline, noting any distinctive contribution(s);
3. The scope and significance of <his / her> research interests and activities as they have made original or otherwise significant contributions to the discipline;
4. Whether, based on your knowledge of <his / her> work and the enclosed curriculum vitae, Dr <Candidate’s Surname> would be appointed as a <proposed academic rank> <please indicate ‘with tenure’ if the appointment is with tenure> in your institution;
5. Any additional insights that may be helpful in determining whether or not to recommend this appointment as <proposed academic rank> <please indicate ‘with tenure’ if the appointment is with tenure> be awarded.

We would appreciate a reply by <deadline>, if at all possible. Please send your letter to me at <SRP / ACP / AMEI Director’s or secretary’s email address: XXXX> or fax it to me at +65 <fax number>. Thank you in advance for taking the time to do this. Your response will be maintained in confidence.

Sincerely,
<SRP / ACP / AMEI / Director’s Name>
