

**SPEAKER**

TWO-HOUR ONLINE

# CONFERENCE

20<sup>th</sup> October 2020

by the International Out-Of-Hospital Cardiac Arrest Registry Group

Communicating registry output  
to improve cardiac arrest outcomes

## **Bridget Dicker (New Zealand)** Adjunct professor, Paramedicine, Auckland University of Technology

Prof. Bridget Dicker is the Head of Audit and Research for St John and concurrently serves as a Senior Lecturer at Auckland University of Technology. Prof. Bridget Dicker has made a significant contribution to the field of out-of-hospital emergency care with a focus on resuscitation.

She developed and manages the inaugural New Zealand out-of-hospital cardiac arrest registry, established for research into epidemiological, systems, or clinical factors that may contribute to improved outcomes.
