Greater Mekong Subregional workshop on Regulatory Actions to counter Substandard and Falsified Medicines

25-27 April 2017, Bangkok, Thailand

At the Greater Mekong Subregional workshop **on Regulatory Actions to counter Substandard and Falsified Medicines**, A/Prof John Lim was invited to present at the session 'Focusing on regional collaboration between regulatory authorities'.

The discussion included inputs from representatives of ASEAN, USP, APLMA, APEC and SEARN.

Prof Lim shared CoRE's efforts as a neutral platform in bringing together regulatory stakeholders – health authorities, industry and academia from the region.

During the workshop, A/ Prof Lim and Dr James Leong joined representatives from other regulatory bodies to share their perspectives and strengthen initiatives in efforts to counteract such medical products from entering the market.

A/Prof John Lim addressing the audience on CoRE's efforts in facilitating collaborative work in ASEAN and the Greater Mekong Subregion.
